Re: Fingerprint CAL-ID Program

Vehicle Code (VC) section 9250.19(f) states that every county that has authorized the collection of the fee pursuant to subdivision (a) shall issue a fiscal year-end report to the Controller on or before November 1 of each year, summarizing all of the following with respect to those fees:

- 1) The total revenues received by the county for the fiscal year.
- 2) The total expenditures and encumbered funds by the county for the fiscal year.
- 3) Any unexpended or unencumbered fee revenues for the county for the fiscal year.
- 4) The estimated annual cost of the purchase, operation, and maintenance of automated mobile and fixed location fingerprint equipment, related infrastructure, law enforcement enhancement programs, and personnel created or utilized in accordance with this section for the fiscal year.
- 5) How the use of the funds benefits the motoring public.

Pursuant to VC section 9250.19(g), for each county that fails to submit the report by November 1, the Controller shall notify the Department of Motor Vehicles to suspend the fee for that county for one year. Enclosed you will find the annual report for your use. For additional copies, the State Controller's Office annual form can be located on our website at:
